In Our Community...

First Baptist Church of Cordova

Greetings from the entire congregation of First Baptist Church of Cordova! We hope that schedules are slowing down from the busy summer season, and that everyone is ready to FALL for autumn colors, scents, & temperatures!

We have lots of exciting things happening at FBC. We continue to offer our monthly Holy Yoga classes. The dates for the next classes are September 8th & October 6th at 6:30 PM. All ability levels welcome! Please call or text Valerie at (949) 370- 6165 to RSVP. Free and open to the public!!

On Sunday September 8th, we will begin an 8 week Bible Study from 8:30-9:15. We will walk through the book “Messy Spirituality” by Michael Yaconeli. It is sure to be a great time of learning & discussing what it means to experience & embrace the messiness of our spiritual journey and the God who meets us there.

Everyone is invited to our Family Movie Night & Bonfire on Saturday September 30th at 6:00 PM. We will have dinner, watch Encanto, make s’mores & have tons of FUN!!! All on the grounds of the church. Bring your chairs & blankets!

On Sunday, October 1st our service will begin at 9:30 in the lower level fellowship hall for a baptismal service. The livestream and regular service will begin at approximately 9:45 in the sanctuary.

Lastly, we welcome the entire community to our “Worship Under the Pavilion” outdoor service on Sunday October 8th. Continental breakfast will begin at 8:30 AM with service beginning at 9:30. Bring lawn chairs or blankets and enjoy the cool breeze and worship with us. Our children will lead us in worship music under the direction of our pianist Alexis Pal.

Cordova Fire Protection District

Cordova Fire Protection District is expecting the new fire truck arrival on 8/30/23. All fire personnel will have hands-on training with hopes it will be put into service by mid-September. It will be on display for our Pancake Breakfast Oct 8, from 7:00am-12:00pm, please stop by!

We are finishing up our first month partnering with Albany Fire Protection District’s ambulance service. Although there is much work still to be done, everything is running smoothly, call times are excellent, service is extraordinary. If you have any questions or concerns, feel free to call the CFPD office at 309-654-2371 or attend any one of our regularly scheduled meetings on the 3rd Monday of each month at 7:00 PM.

Fire Prevention Week, October 8-14, 2023. This year's focus on cooking safety works to educate the public about simple but important steps they can take to help reduce the risk of fire when cooking at home, keeping themselves and those around them safe:

- Always keep a close eye on what you are cooking. For foods with longer cooking times, such as those that are simmering or baking, set a timer to help monitor them carefully.
- Clear the cooking area of combustible items and keep anything that can burn, such as dish towels, oven mitts, food packaging, and paper towels.
- Turn pot handles toward the back of the stove. Keep a lid nearby when cooking. If a small grease fire starts, slide the lid over the pan and turn off the burner.
- Create a “kid and pet-free zone” of at least three feet (one meter) around the cooking area and anywhere else hot food or drink is prepared or carried.
- Safety First!
